

VOLUNTEER COMMUNITY SURVEYOR PROGRAM

WISDOM WORKSHOP

PROMOTING TENURE SECURITY IN THE
FACE OF LEGAL, INSTITUTIONAL &
SOCIAL CHALLENGES

FRIDAY 3 DECEMBER 2021

PREAMBLE

With increased participation in the drive towards a more secure tenure for all, it becomes pertinent to identify the challenges preventing tenure security, harness existing solutions and disseminate approaches to identifying such solutions amidst the agents of change.

Young Surveyors of the FIG are a major stakeholder in ensuring the realisation of a secured tenure system for all. Notable amidst its fora of influence is the Volunteer Community Surveyor Program; where Young Surveyors volunteer their skills to map the world to a better place. The in-Country path of the VCSP supports pro-poor land registrations in different countries of the world. The Wisdom Workshop path of the VCSP is poised to equip young surveyors with relevant skills necessary to act as agents of significant change while volunteering their skills, within and beyond the in-Country deployments.

This year's Wisdom Workshop aims to provide participants with skills necessary to promote tenure security in the face of legal, institutional and social challenges. Priority will be given to places where deployments will likely be made in the quarter 3 of our year 2 program (February - April 2022).

Learning goals of this workshop are:

1. Recognise the VCSP goals, core values and how to improve them.
2. Develop humanitarian and technology skill sets necessary for the projects they may volunteer on.
3. Identify the various challenges facing tenure security on local, regional and global levels.
4. Suggest workable solutions to challenges of tenure security at various levels.

WE MAP THE WORLD A
BETTER PLACE

ABOUT THE WISDOM WORKSHOP

WHEN

Friday 3 December 2021 starting at 07:00 UTC and finishing at 11:10 UTC.

This corresponds to a start time of:

Lagos, Nigeria	Fri, 3 Dec 2021 at 08:00 WAT
Kampala, Uganda	Fri, 3 Dec 2021 at 10:00 EAT
Nairobi, Kenya	Fri, 3 Dec 2021 at 10:00 EAT
Windhoek, Namibia	Fri, 3 Dec 2021 at 09:00 CAT
Lusaka, Zambia	Fri, 3 Dec 2021 at 09:00 CAT
Manila, Philippines	Fri, 3 Dec 2021 at 15:00 PHST
Nepal Time, NPT	Fri, 3 Dec 2021 at 12:45 NPT
Baghdad, Iraq	Fri, 3 Dec 2021 at 10:00 AST
Damascus, Syria	Fri, 3 Dec 2021 at 09:00 EET

REGISTRATION

Please submit your application for attendance of this Wisdom Workshop [here](#). The deadline for applications is Monday 22 November 2021.

Successful applicants will be advised by email by Friday 26 November 2021.

Registration cost is free for successful applicants, with the option to donate to FIG VCSP to support our future initiatives.

SUCCESSFUL COMPLETION OF THE PROGRAM

Applicants who are successful in their application to attend the Wisdom Workshop are required to complete the following requirements in order to receive their individual certificate of completion:

1. Successfully complete the pre-workshop MOOC, which will be available online from Saturday 27 November 2021 - Saturday 4 December 2021
2. Successfully complete the post-workshop survey, which is based on the content covered across all sessions presented live during the Wisdom Workshop on Friday, December 3. This survey must be completed on or before Saturday, December 4.

CONTACT US

If you have any queries or questions about this Wisdom Workshop or associated in-Country Deployments, please email Israel Taiwo (Wisdom Workshop Lead) at vcsp@fig.net.

PROGRAMME OUTLINE

WISDOM WORKSHOP
FRIDAY 3 DECEMBER 2021
