## **FIG e-Newsletter October 2008**

Dear Colleague,

Welcome to the FIG e-Newsletter, which brings you latest information about the FIG and its activities. The information referred here is in full length available on the FIG web site. Thus the e-Newsletter is produced to inform you what has happened recently and what interesting things are going to take place in the near future. The FIG e-Newsletter is circulated by e-mail monthly. The referred articles are in English and written in a way that you are able to extract them to your national newsletters or circulate to your members.

### **Article of the Month – October 2008**

On the FIG web site we publish each month a paper called the **Article of the Month**. This is a high-level paper focusing on interesting topics to all surveyors. It can be picked up from an FIG conference or another event. The Article of the Month in October 2008 is written by Dr. **Anna K. Tibaijuka**, Under Secretary General and Executive Director UN-HABITAT. Her paper "*Improving Slum Conditions through Innovative Financing*" was presented as the keynote address at the Opening Ceremony of the FIG Working Week 2008 in Stockholm, Sweden 15 June 2008. Read the paper:

**FIG Office Update – Position of FIG General Manager**

Following the resignation of the Office Manager in Copenhagen earlier this year, the opportunity has been taken to review the duties of office staff and also reduce the heavy workload that the Director has been carrying. It is planned to upgrade the vacant position to that of General Manager as it will have complete responsibility for the management and administration of the office. This will allow the current Director to allocate a higher percentage of his time to supporting the President and Council and developing the FIG events. The position of General Manager is being advertised in this issue of the Newsletter and in other media to ensure FIG obtains the best available person to manage the office.

**FIG Foundation grants for 2009**

The FIG Foundation has announced the grants for grants and fellowships for 2009. Deadline for applications is **30 November 2008**. This time grants will be available traditionally for projects and as a new initiative some fellowships will be offered for participation to FIG conference (FIG Working Week in Israel and the FIG Regional Conference in Vietnam). These fellowships can be applied by authors from developing countries for paper presentations that pass through the peer review process. For further information see the guidance notes.
